

BPW Activities & SDG 3

Deworming of children and adults by BPW Nigeria

In April 2018, BPW Abuja Karu Golden and Satellite Clubs deworming over 1,000 children and women in rural communities in Abuja villages of Papalandna, Ageita, Jahi, Pabeyi and Tawagi. This is to help prevent the negative effects worm infestation have on children's and adult's health, nutrition, cognitive abilities and productivity in the community.

Health Awareness Campaign Against Cancer by BPW Dakar, Senegal

BPW Dakar in Senegal raised awareness against cancer under leadership of BPW Senegal's President Fatou Cisse and in partnership with the League Against Cancer on 4 October 2018.

Empowering Girls in School through Sanitary Pads By BPW Mwanza, Tanzania

In rural area, girls would either skip school or use unsanitary materials when they menstruate. This poses a serious threat to their life. BPW members in Tanzania recognize this health risks and provide Sanitary Pads for girls in schools in Mwanza to combat this problem.
